

Hello,

For those of you who don't know me, I am Betsy Weaver, Head Volleyball coach here at Strong Rock. I came to Strong Rock last year and coached the JV and varsity teams. I am very excited about the future for volleyball here at Strong Rock. The move from GISA to GHSA means we have a much larger base of opponents to draw from and, for the most part, shorter distances to travel for matches.

I wanted to make sure that all 8th through 12th grade girls who may be interested in trying out for the JV and varsity teams were aware that those try-outs will be the first 2 days of school, Monday August 2nd and Tuesday August 3rd. The try-outs will run from 3:30 to 5:30 in the gym. Practice will start for both teams on Wednesday August 4th. Our first competitions are Tuesday August 17th with the varsity traveling to Jackson HS in Butts County and the JV going to Macon to play First Presbyterian Day. The schedule for all of our volleyball teams is attached to this email.

Feel free to contact me with any questions you may have. My email address is billandbetsyw@yahoo.com and my phone number is 770-364-7614.
