

**The following materials are required for
Coordinate Algebra (Algebra 1):**

1. **3-ring binder (at least 1.5 inches)** - I prefer the kind that has the clear sleeve on the front and back – We will insert important papers into these sleeves.
2. **At least 4 dividers** – Label the dividers in the following way:
Bell-work, Math Content, Assignments, Quizzes,
3. **Several pencils , a handheld pencil sharpener, erasers, and pens**– You will complete assignments in pencil, and check them in pen.
4. **Thin-tipped dry erase markers** – Occasionally, we will use these to work on the desks.
5. **Notebook and Graph paper** – Please keep this in the back of your binder. We will use it at various times throughout the year.

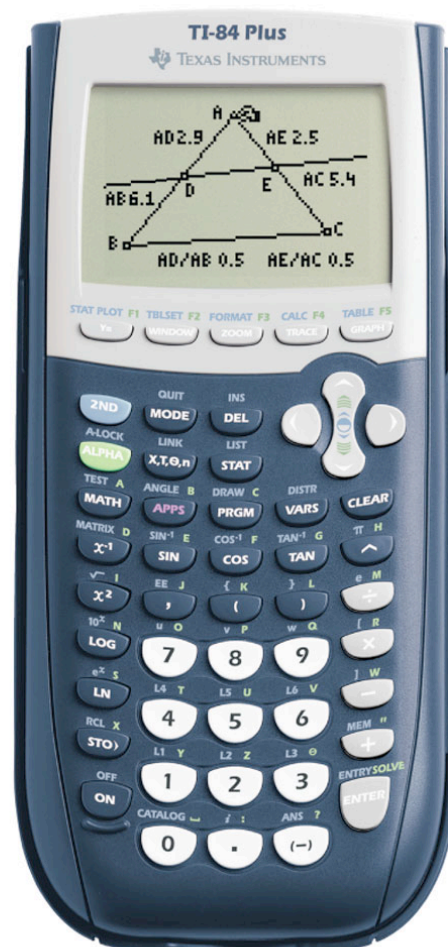

6. **TI-84, TI-84+, or TI-84+ Silver Edition Calculator** –

This **specific type** of calculator is a REQUIRED item for this class. It is important that you purchase this exact calculator. I have included a picture to make it easier for you to find in stores. This calculator is required for all high school math classes.

Therefore, it is a 4-year investment. LABEL YOUR CALCULATOR WITH YOUR NAME.

Approximate cost: \$90

Color versions are all okay to purchase ☺

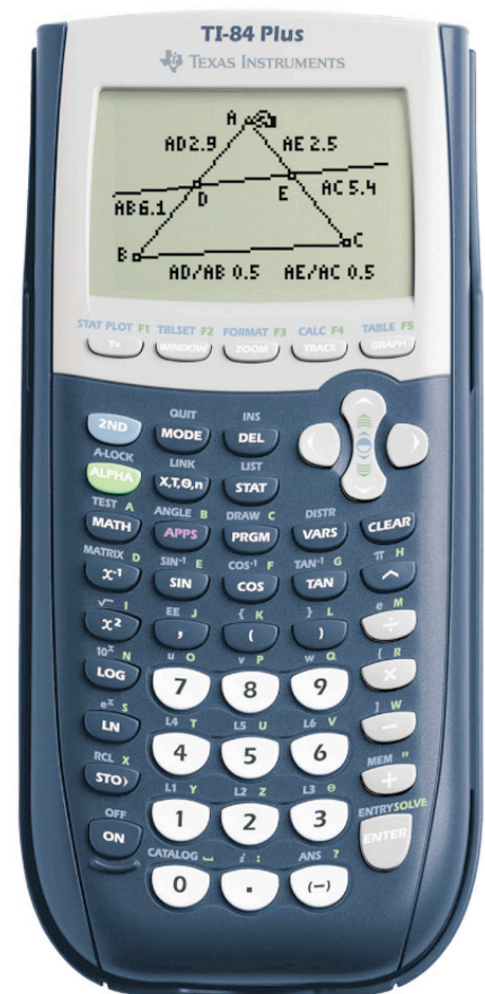

If you have any questions about supplies, please feel free to email me at aroberts@strong-rock.com. I will be happy to assist you in any way.
