

Statement of Philosophy and Purpose of Handbook

Strong Rock Christian School is committed to providing a diversified, participatory, and successful athletic program that is available to all students. Our school believes that such a program is a vital and integral part of the total school environment as well as playing a key role in the overall development of each student that is involved in the athletic program. It is our belief that the athletic program at Strong Rock Christian School should assist students in developing positive self-esteem and the qualities of good citizenship, as well as impacting the world for Jesus Christ.

It is the purpose of this handbook to set forth the operating procedures for the students, parents and athletic staff at Strong Rock Christian School. It is designed as a reference source that will facilitate the process of seeking and clarifying information concerning administrative and athletic policies and procedures as well as promote a framework that will lead to the effective and efficient application of those policies and procedures.

Mission Statement and Vision

The mission of Strong Rock Christian School is to glorify God and partner with families in educating and inspiring their children to impact the world for Jesus Christ – The Strong Rock.

Strong Rock Christian School strives to provide our students and families with an athletic program that reflects the same level of excellence achieved in the classroom. By providing a variety of athletic opportunities, we build not only stronger, well-rounded student athletes, but also a balanced athletic program that takes the interest of our **mission statement**.

Our beliefs are that strong character development and religious conviction be as much a part of athletics as fair play and enthusiasm. Participation is not a right but a privilege; a privilege earned by student athletes who excel in the classroom, honor their families and school, and bring glory to God.

- We believe in a completely Christian athletic program embracing our **school mission**.
- We believe in the student-athlete concept, where excellence in the classroom takes precedence over athletic endeavors.
- We believe in student athletes that demonstrate respect for their opponents with the highest standards of Christian character and sportsmanship.
- We believe ALL sports teams are important regardless of grade level or gender, and that our efforts must be conducted with fairness and equity toward every sport.

The function of each coach is to educate the students through their participation in interscholastic sports. Our goal is to help our student athletes develop the important lifetime essentials of self-discipline, self-concept, fitness, interpersonal relationship skills, and sportsmanship. It is also important to realize that striving to win and be successful plays an important part in the development of these essentials. While winning on the scoreboard is desirable and should be stressed; it is by no means the total definition of success. Success is defined as doing the best you can do in all areas. Discipline is what always allows you to do your best.

ATHLETIC DEPARTMENT CORE VALUES

Commitment

"Whatever you do, work at it with all your heart, as working for the Lord, not for human masters." - Colossians 3:23

Integrity

"For the Lord gives wisdom; from His mouth comes knowledge and understanding; He stores up sound wisdom for the upright; He is a shield to those who walk uprightly." Proverbs 2:6-7

Unity

"I appeal to you, brothers, by the name of our Lord Jesus Christ, that all of you agree, and that there be no division among you, but that you be united in the same mind and the same judgment." 1 Corinthians 1:10

Excellence

"Finally, brothers, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things." Philippians 4:8

Accountability

"And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching." Hebrews 10:24-25

Our Coaches

The coach is the "living curriculum" for the student athlete. Coaches at Strong Rock Christian School are the most significant components of the athletic program. They are both teachers and active participants at the same time. They always have the responsibility to model Christ-like behaviors and attitudes.

In order to be an effective coach and role model, SRCS coaches must also be thoroughly knowledgeable in their sport, capable of detailed preparation, able to motivate athletes, be able to make adjustments during competition, and work effectively under the authority of the athletic director and school administration. Our coaches take seriously the opportunity they have to mold young lives for Christ.

Our Parents

Parents of student athletes have a responsibility to both their child and to the team.

Without strong parental support the student athlete will not be able to achieve his/her greatest potential and/or the team may suffer. It is important that parents provide positive reinforcement and understand their role as being part of the team. Parents, as well as players, should always be supportive and encourage coaches and teammates.

Parents are not coaches and learning to trust coaches is a key step to learning the value of the life lesson experiences athletics provides. It is also important that parents honor the Lord when attending athletic events. For SRCS's athletic program to be successful, coaches, student athletes, and parents must always make a firm commitment to glorify God.

Our Athletes

Strong Rock Christian athletes should be diligent in preparation, always give 100%, demonstrate personal discipline, be respectful in all situations, maintain self-control, show humility, and aggressively pursue excellence regardless of the score, opponent, time, referee, or situation. The ultimate and final responsibility rests upon the shoulders of the student athlete, for it is the student athlete who is accountable to his/her parents, coach, and the Lord.

Our Team

Our teams should in all things strive to:

1. Glorify God
2. Play Hard
3. Have Fun

Our Athletic Department

Is committed to:

1. Discipleship of our coaches and student athletes.
2. Outreach to opposing teams and fans and to the larger community outside of Strong Rock
3. Preparation of student athletes for both competition and life with Christ as our model.
4. Stewardship of our resources.
5. Pursuit of athletic excellence.

Consider our mission statement in how we:

- Coach
- Compete
- Cheer

Culture

- Present the mission
- Promote the mission
- Practice the mission
- Preserve the mission

Our commitment to excellence requires hard work, perseverance, and love for our fellow man. Our daily efforts for athletic excellence are inspired by **Col. 3:17**, ***“Whatever you do in word or deed, do all in the name of the Lord Jesus...”***

Objectives of Participation

The athletic program at Strong Rock Christian School will provide each participating student adequate opportunities for:

- a. sharing Jesus Christ with teammates, opponents, coaches and stakeholders of Strong Rock Christian School
- b. physical, mental and emotional growth and development;
- c. the acquisition and development of special skills in the activities of each student's choice;

- d. directed leadership and supervision that stresses self-discipline, self-motivation, excellence and the ideals of good sportsmanship exemplified through winning and losing graciously;
- e. being a part of a unified team composed of the student body, faculty and community;
- f. the achievement of goals established by the individual student, the team and the school;
- g. the development of skills and an appreciation of sports that may be used throughout life as a participant and / or spectator.

Goal for each Student - Athlete

The overall goal for the athletic program of Strong Rock Christian School is for each student-athlete to become a better overall person through his or her participation in athletics. The major points of emphasis throughout the program will be:

- a. developing as a Christ-follower
- b. teamwork
- c. maximum effort, dedication and commitment
- d. respect for authority
- e. discipline within an organization

Requirements for Participation

All of the following criteria must be satisfied prior to any student-athlete's participation in any athletic practices, games, or team function:

- A. eligibility status filed and verified by the Georgia High School Association as well as any and all local requirements as specified by Strong Rock Christian School; the GHSA requirements for eligibility are as follows:
 - i. A student must be a regular student taking 3 or more units, per semester in Grades 9 through 12;
 - ii. All student - athletes must have passed a minimum of 5 classes taken during the previous semester;
 - iii. There are other stipulations concerning eligibility that are set forth by the Georgia High School Association that are too numerous to mention here. If you have any questions concerning eligibility, please feel free to contact the Athletic Director. Eligibility is taken very seriously by the administration at Strong Rock Christian School. Infractions concerning eligibility have been dealt with very seriously by the Georgia High School Association and infraction penalties may include fines imposed on offending schools and/or the forfeiture of games.
- B. **Completed physical examination** form on file with the school Athletic Director and the Head Coach of the sport in which the student-athlete wishes to participate stating that student-athlete is cleared to participate without restrictions or with specific restrictions noted. The physical form can be obtained either from the Head Coach, Athletic Director, school trainer;
- C. Emergency Care card on file with the school Athletic Director, trainer and the Head Coach of the sport in which the student-athlete wishes to participate;
- D. Documentation of current and active insurance coverage for the student - athlete

- E. Parents / guardians and / or school athletic department; in addition, a statement signed by the parent / guardian of the student athlete verifying the understanding that the school is not responsible for any financial obligations above and beyond the primary and secondary insurance coverage payments in the event of an accident and / or injury in the normal course of athletic participation by the student-athlete.
- F. In the event of an injury, a written doctor's medical release **must** be on file with the school Athletic Director, trainer and the Head Coach of the sport in which the student-athlete wishes to participate that clears the student-athlete to participate without restrictions or with specific restrictions noted on the release.

Academic Requirements for the Student - Athlete

Strong Rock Christian School maintains that academics and athletics are collaborative partners in the overall development of student - athlete. Based on this principle, the athletic department believes and will require each student-athlete to meet the following academic requirements:

School generated progress reports (issued every 9 weeks) will be used to track any academic deficiencies of our student-athletes. The Athletic Director and Head Coaches will meet and review the progress reports results to identify those student-athletes with academic deficiencies. If at any of those grade report intervals a student-athlete has a failing grade in any course(s), the student-athlete may be placed on academic / athletic probation and be required to attend either mandatory tutoring sessions for at least 2 hours per week in any and all courses in which they have a failing grade if the academic deficiency is the result of academic problems as determined by the teacher of the course. If it is due to work ethic as determined by the teacher, then the student athlete may be required to attend mandatory study hall Tuesday, Wednesday, Thursday and Friday mornings. This process will continue until the next grade report is issued. The student-athlete may continue their participation in athletics if they attend the mandatory tutoring or study hall sessions as required. Failure to attend the required tutoring will result in suspension from the team until the student-athlete meets the tutoring requirements.

If at the next grading period the student - athlete has made Satisfactory Progress (**as determined by the teacher of the course(s), the School Athletic Director and the Principal**) in correcting the earlier grade deficiencies, the student-athlete will be allowed to return to non-probationary status. If the student-athlete has not made satisfactory progress in correcting grade deficiencies they will be prohibited from practice, games and team functions until the point in time that the grade deficiencies have been corrected to an acceptable level.

Interscholastic Sports

Student athletes at Strong Rock Christian School participate in interscholastic sports. Parents and student athletes should have a clear understanding that interscholastic sports are competitive and successful programs combine the attributes of winning with the objectives and philosophies of participation as stated earlier in this handbook. The staff of dedicated, committed and professional coaches must make decisions on the playing status of all student athletes based on what are the best options for the team and program to be successful. The Principal, Athletic Director and Head

Coaches will operate with an open-door policy with parent(s) and student - athletes to discuss any issues that need to be addressed concerning the various aspects of the student - athlete's participation in the sport.

Chain of Command

1. Student to coach
2. Parent to coach
3. Parent to coach and AD
4. Parent to leadership

Please do not attempt to confront a coach before or after a contest or practice. These can be emotional times for both the parent and the coach and generally do not promote a resolution. Appropriate concerns to discuss with coaches are: (1) mental and physical treatment of your child; (2) ways to help your child improve; and (3) concerns about your child's behavior. Issues that are not appropriate to discuss with coaches are: (1) team strategy; (2) play calling; and (3) other student - athletes.

Objective Criteria for Team Membership/Tryouts

Each athletic team at Strong Rock Christian School will have the most objective method possible to pick teams for the sports that have tryouts in order to determine their final team roster. **Each Head Coach will submit to the Athletic Director a written plan detailing the criteria and procedures used for determining team membership.** The criteria will be clearly communicated in writing to all potential team members prior to the beginning of any tryout sessions and the results of tryout evaluations will be documented and available for review at the conclusion of any tryout period. Include the following:

- Dates and length for try-outs
- Set measurable expectations that you will be evaluating
- Keep a written evaluation and be ready to show and tell.
- Meet with students face to face; be willing to give advice and counseling for students who get cut.
- Be ready and willing to meet with parents.

Dual Athletic Participation

Playing two sports at the same time is not recommended but is available in certain situations. Permission may be granted if **all** coaches and the Athletic Director are able to find a reasonable way to make it work without it being a detriment to the teams or other students involved. Permission may be denied if it would hurt the teams involved and if, in the opinion of the

administration, the student will be unable to maintain all eligibility requirements.

Basic Parameters for Dual Participation include but are not limited to. . .

A student may only participate in two sports during any one season. Students must notify both coaches involved before tryouts. Coaches will then meet to determine feasibility, special arrangements and priorities to deal with potential conflicts.

Final approval for dual participation will come from the Athletic Director after consulting with the coaches and parents involved. All parties are expected to honor their agreements.

Responsibilities of the Student - Athlete

Each student-athlete is a representative of Strong Rock Christian School, the community, their family and themselves. The actions and appearance of the student athlete will be viewed by others as a direct reflection of each of these entities. It is the responsibility of each student-athlete to conduct himself or herself in such a manner as to not bring shame and ridicule to any and all these entities. Any actions that violate this principle will not be tolerated and severe or continuous behavior to that effect may result in suspension of playing privileges or permanent removal from the team or activity. In reference to this responsibility:

1. **Conduct of a Student-Athlete in the classroom and in the total school environment:** It is our belief and expectation that a good student athlete will portray himself or herself as a positive role model. A lack of dedication and commitment to uphold this standard throughout the total school environment will translate into a similar lack of dedication and commitment in athletics. We expect each student-athlete to conduct himself or herself in such a manner as to exemplify the positive qualities of giving maximum effort to attain success in the classroom and in all other school activities. We also expect each student-athlete to conduct himself or herself as a positive role model by adhering to accepted standards of conduct and behavior in the classroom and throughout the school.

2. **Grooming and dress policy for student-athletes: As representatives of Strong Rock Christian School, the community, their family, and themselves, student-athletes are expected to adhere to all dress code policies as stipulated by the Strong Rock Christian School Family Handbook. Individual Head Coaches may require more stringent rules regarding grooming and dress policies for student - athletes on their team; however, those rules must at least meet the minimum requirements as stated in the Strong Rock Christian School Family Handbook. Violations will be dealt with both**

as a school disciplinary issue as well as a violation of school athletic policy and should be addressed by the Head Coach of the sport in which the student - athlete is a current participant.

Penalties for Inappropriate Conduct

Student athletes that do not adhere to the Strong Rock Christian School Family Handbook on a consistent basis will be subject to the following penalties:

1. On a **LEVEL 3** disciplinary action (Saturday School), the student-athlete will face a suspension equal to **5%** of the total number of regular season scheduled contests for the sport for which they are competing at the time. This suspension will occur in the next immediate contest following the Saturday School. The student-athlete will continue to practice and participate in team functions during the suspension period. **Disciplinary actions taken by the school may be supplemented by additional team disciplinary action as deemed appropriate and within reason by the Head Coach of the sport in which the student-athlete is a participant.**
2. On a **LEVEL 4** disciplinary action (Out of school suspension) the student-athlete will face a suspension equal to **10%** of the total number of regular season scheduled contests for the sport for which they are competing at the time. In addition, the student-athlete will be placed on Athletic Probation for one calendar year and must adhere to the terms stated later in this document. **Disciplinary actions taken by the school may be supplemented by additional team disciplinary action as deemed appropriate and within reason by the Head Coach of the sport in which the student-athlete is a participant.**
3. Any inappropriate actions taken by a student athlete while participating in athletic practices and / or games that are violations of the Strong Rock Christian School Code of Conduct **shall** be reported by the Head Coach of that sport to the school administration as a disciplinary referral and will be subject to be included in stipulations (1) and (2) above.
4. **Any student-athlete ejected from a GHSA contest will be subject to penalties as outlined under the GHSA Constitution and By-Laws. In addition, any student-athlete that is determined to have acted in a manner that is a violation of the expectations as stipulated under the sections "Conduct of student - athlete in athletic participation (p. 5)" will be subject to suspension or removal from the team after a conference involving the school Athletic Director and / or Principal, the Head Coach, the student-athlete and their parent(s).**

1) Tobacco/Vaping

The purchase and use of tobacco is illegal by any student under the age of 18. Therefore, the possession and / or use of tobacco in any form by a student-athlete will not be tolerated by the athletic programs at Strong Rock Christian School. This will apply to student-athletes **both at and away from school** as well as **in or out of season**. This rule will be inclusive of any student-athlete participating in athletics at Strong Rock Christian School **regardless of age**. The penalties for the violation of this policy will be as follows:

- a. **1st Offense:** School Disciplinary Referral (if at school or at a school - related function); suspension from participation equal to 5% of the of the total number of regular season scheduled contests for the sport for which they are competing at the time of the incident; student-athlete placed on probationary status with the school athletic department.
- b. **2nd Offense:** School Disciplinary Referral (if at school or at a school - related function); removal from the team for the remainder of the current season; the student-athlete will be required to enter into an athletic department contract agreement before the student - athlete is allowed to participate in any further athletics at Strong Rock Christian School.

(2) Alcohol and / or Drugs

The purchase and use of alcohol is illegal for any student under the age of 21. The possession and use of drugs is illegal. Also, the misuse or distribution of prescription drugs is illegal. Therefore, the possession and/or use of alcohol and/or drugs in any form by a student-athlete will not be tolerated by the athletic programs of Strong Rock Christian School. This will apply to student-athletes **both at and away from school** as well as in or out of season. This rule will be inclusive of any student-athlete participating in athletics at Strong Rock Christian School regardless of age. The penalties for violation of this policy will be as follows:

- a. **1st Offense** - School Disciplinary Referral (if at school or at a school function): suspension from participation equal to **10%** of the total number of regular season scheduled contests for the sport for which they are competing at the time of the incident. The student-athlete will continue to practice during the suspension period; student-athlete placed on probationary status with the school athletic department; the student-athlete and their parent(s) will be required to enter into an athletic department contract agreement before the student-athlete is allowed to participate in any further athletics at Strong Rock Christian School.

- b. **2 Offense** - School Disciplinary Referral (if at school or at a school function); removal from **ALL** athletic participation for **one calendar year.**

Strong Rock Christian School policy prohibits participation in any extracurricular activity if a student is not present at school for at least **one-half** of the school day unless there is a clear and justifiable reason for the absence. Any student who is absent for more than one-half of a school day and wishes to participate in an extracurricular activity on that day must receive approval to do so by **the Athletic Director.**

Student athletes are encouraged to attend all practices, games and team functions as a part of developing and displaying dedication and commitment to the activity in which they wish to participate. The student athlete should contact the Head Coach **prior** to missing or being tardy to practices, games and team functions in order for the absence or tardy to be classified as excused. The Head Coach will consider emergency situations where contact may not be possible. Consequences for excused and unexcused absences from practices, games and team functions will be at the discretion of the Head Coach and clearly outlined in the individual sports' 'Player Contract' on file with the school Athletic Director and the Head Coach.

Practices: in - Season

Although practice schedules differ from sport to sport it is our philosophy that our student - athletes are **students first and athletes second.** We strongly encourage our coaching staff to take this philosophy into consideration when developing practice and game schedules. There may not be any mandatory or voluntary practices on Sundays. All Wednesday practices will begin no earlier than 3:10 p.m. and will dismiss by 5:30 p.m. with the aim for student-athletes to leave by 5:45 p.m.

Practices: Off-Season

Practices held during the off-season may not be mandatory nor may they be a prerequisite for participation or membership on a team. This means that a coach cannot require a student-athlete to make up a practice they miss out of season. While rewards and incentives may be used to encourage attendance, participation may not be made mandatory. Please note that the GHSA does permit off-season practices to take place in sports. Since many of our student athletes play multiple sports, coaches are discouraged from encouraging student athletes involved in other sports to participate in workouts, etc. for their sport during the off-season. Please feel free to call the Athletic Director if you have any questions about off-season practices.

Transportation

Students involved in all extracurricular activities at Strong Rock Christian School will be provided transportation to and from all events. The student athletes at Strong Rock Christian School will often have a bus provided by Strong Rock Christian School and a trained driver to drive this bus. This is the safest way for your son and/or daughter to get to and from events. Student athletes at Strong Rock Christian School will not be released to any individual to ride private transportation following contests except the student-athlete's parent(s) or legal guardian. In this case, which is discouraged except in cases of emergency, the parent(s) or legal guardian will have to provide a written request to the Head Coach of the sport in which the student athlete is participating 24 hours in advance. Under no circumstances will student athletes be allowed to be transported by any driver that is not on the "Approved Driver" list that is on file at the school. **It is NEVER appropriate for a student to transport another student to/from an athletic practice or event.** In the event of a late afternoon or evening practice, students that do not have a driver's license, may not leave campus between the end of the school day and the beginning of practice. A study hall or team gathering area will be provided by the head coach. If a student has a driver's license, they may leave campus if and only if, the head coach is provided with a signed permission form for the entire season.

Consequences for Quitting a Sport during the Season

Quitting a sport for reasons other than medical or family matters contradicts all we teach about the Kingdom Athlete. A student may try a sport one year and decide not to play again the next but a student should never quit a sport in the middle of the season regardless of how justified he or she may feel their reasons to be. Quitting becomes habitual and can be hard to overcome. We encourage all students and parents to "stick it out". It is our desire to work with the parent in teaching student's perseverance, commitment, loyalty and fortitude. You never know what God has in store for your family.

Student - athletes are expected to complete the season of the sport in which they are participating in its' entirety. However, we recognize that conflicts do arise and that there may be no other satisfactory solution than for a student-athlete to leave the team. If such a situation occurs, it is requested that the student-athlete and their parent(s) meet with the Head Coach, the school Athletic Director, and / or the Principal to discuss the reason(s) for quitting the sport. If a resolution cannot be reached that would allow for continued participation, then all parties will agree that this is the best course of action. **If a student - athlete quits one sport, he/she will not be allowed to participate in another sport until the first team's season is over.** (This also includes training and workouts) A conference with Athletic Director, the Head Coach of the sport which the student-athlete quit, and the Head Coach of the sport in which the student-athlete wishes to participate will need to take place. The welfare of the school's total athletic program, the teams involved, and the student-athlete will be considerations as to

whether the student-athlete will be allowed to participate. Both long-term and short-term effects will be considerations in reaching a final decision.

Conflicts among Extracurricular Activities

Strong Rock Christian School encourages students to become involved in a variety of extracurricular activities according to their individual interests and skills. The faculty and staff at Strong Rock Christian School are committed to working together to maximum student involvement. We recognize that this philosophy will result in conflicts between the many extracurricular activities from time to time.

Lettering Policy

A student athlete may be awarded a letter by completing the season in a varsity sport only and should be earned through dedication and commitment to that sport and making a significant contribution to the total team effort throughout the entire season. The criteria for lettering will be if a student-athlete completes the varsity season in good standing as determined by the Head Coach of the sport. AFTER a student athlete has met the criteria for lettering, they are eligible for a letter jacket. Letter jacket fitting/ordering meetings will be held once per school year. A sport specific pin will be awarded for a first-time letter winner. All proceeding letters will be awarded in the form of a "bar" for the student athlete's jacket. If a pin or bar needs to be replaced by the school because it was lost or broken, the student-athlete will be charged \$3.00 for each.

Awards

Participation Awards

Each student athlete at Strong Rock Christian School that completes their team's season in good standing will be awarded either a:

- (1) certificate of participation for Junior Varsity and / or Academy competition
- (2) Varsity letter for varsity competition.

Student athletes will also be awarded patches for their letter jackets for being a member of a team that is a region champion, state runner-up, or state champion. Also, if a student is a region champion, state runner-up or state champion in an individual event or competition they will be awarded a patch for their letter jacket.

Special Recognition Awards

Individual awards for student-athletes will be given at the discretion of the Head Coach and the coaching staff. Special recognition awards include All-Region/Area and All-State, which are chosen by area coaches. Recognition will occur at the Athletic Awards Ceremony that recognizes that sport.

Senior Athletic Awards

Senior Athletic Awards will be awarded at the Spring Athletic Awards Ceremony.

3-4 Sport Athlete Awards

Student athletes that have participated in three or more varsity sports in an individual school year will be given a 3-4 Sport Athlete Award. Recognition will occur at the Spring Athletic Awards Ceremony. The student athletes will also be honored at the annual Tri-Athlete luncheon.

Patriot Award

The Patriot Award is chosen by the coach of each varsity team in recognition of the student-athlete that best displays Christian leadership qualities within the team. Specifically, this student-athlete develops the team, coaches and supporters by his/her participation. Patriot Awards will only be awarded to a team of five or more participants.

Athletic Awards Ceremon

High School student athletes will be recognized in three (2) seasonal awards ceremonies. The dates and recognized sports are listed below:

Fall Athletic Awards Ceremony, November

Cross Country, Football, Football Cheer, Softball, Volleyball

Winter/Spring Athletic Awards Ceremony, May

Girls/Boys Basketball, Basketball Cheer, Wrestling, Swimming, Equestrian, Shooting, Baseball, Golf, Lacrosse, Soccer, Tennis, Track and Field.

Student-Athlete Safety and Hazard Protection

There are several issues concerning student-athlete safety that Strong Rock Christian School has addressed and will continue to address along-side of the Georgia High School Association.

1. Heat and Humidity Policy - Schools must follow the statewide policy for conducting practices and voluntary conditioning workouts in all sports during times of extremely high heat and/or humidity that will be signed by each head coach at the beginning of each season and distributed to all players and their parents or guardians. The policy shall follow modified guidelines of the American College of Sports Medicine regarding:

- a) The scheduling of practices at various heat/humidity levels
- b) The ratio of workout time to time allotted for rest and hydration at various heat/humidity levels
- c) The heat/humidity level that will result in practice being terminated

2. Accident/Injury Reporting - When a student athlete has an accident or is injured during practice or competition, the Head coach must complete an accident report form to turn-in to school trainer. The forms can be obtained at the school office. These forms are very important if insurance claims are filed later. The originals of these forms will be kept on file in the Athletic Director's office. When a student athlete consults with a physician to determine playing status, documentation from the physician's office must be provided to the school. Furthermore, appropriate documentation must also be provided before the student will be allowed to resume participation.

3. Limits of Participation –The Georgia High School Association recognizes a difference between male and female sports. Strong Rock Christian School offers ten varsity male sports and ten varsity female sports. The Academy (Grades 7-8) offers 15 male sports and 15 female sports. Due to this abundant offering and the Georgia High School Association recognizing a difference in male and female athletic activities, Strong Rock Christian School allows for females to participate in the assigned females' sports and males to participate in the assigned male sports for the Academy and High School. Simply put, middle school (Academy) girls play girls' sports and middle school (Academy) boys play boys' sports. High school girls play girls' sports and high school boys play boys' sports.

4. Lightning Policy (GHSA) – The purpose of these guidelines is to provide a default policy to those responsible for making decisions concerning the suspension and restarting of contests based on the presence of lightning. The preferred sources from which to request such a policy for your facility would include your state high school association and the nearest office of the National Weather Service.
